STRENGTHS:

Khadijah is a very polite and helpful member of the class. She is very conscientious and makes excellent effort, taking care with class work. Her written work is always presented beautifully and of a good standard. Khadijah loves to read and this is reflected in the quality of her descriptive and creative writing. She is able to use a range of literary devices within her writing and can effectively use evidence from the text to support the points she makes. Her inference and deduction skills are also very good and this helps her gain a deeper understanding of the work covered. She has been very punctual in submitting her work online and it has been of the same high standard.

NEXT STEPS:

Despite the fact that Khadijah has started to contribute to class discussions more willingly, I would encourage her to be more vocal with her ideas within the classroom. She needs to improve her co-operation in group settings and should work on voicing feelings and opinions.

STRENGTHS:

Khadijah is a hard-working and conscientious student. She has a positive attitude towards all aspects of her schoolwork, and sets a superb example. She has demonstrated the ability to make supported inferences from sources. Similarly, her end of unit assessment results reflects the good, steady progress she has made over the course of the year. It has been a pleasure to have Khadijah in my class. Well done Khadijah!

NEXT STEPS:

Moving forward, I would like to see Khadijah develop her confidence and participate more in class discussions.

---	--------------------------

STRENGTHS:
Khadijah is a valued member of the class. She always aims to work to the best of her ability and takes pride in the presentation of her work. Khadijah has demonstrated her ability to describe how volcanoes, earthquakes and tsunamis are formed and has shown a genuine interest in the topics covered this year. Keep up the good work Khadijah!

NEXT STEPS:
Moving forward, I would like to see Khadijah develop her knowledge of how erosion leads to the formation of different landforms.

CONTENT COVERED: Looking for God Images of God Birth and Death Rites Study of Jerusalem	Human Relations Abortion Euthanasia Evil and Suffering Science and Religion
STRENGTHS: Khadijah is an exceptional student. She is hardworking, polite and responsible for her learning. Her work in RS has been superb. She can refer to different religious beliefs and practices in a respectful and mature manner and is skilled at describing various views. Her work during lockdown has also been superb and I wish her the best for next year.	
NEXT STEPS: I would like Khadijah to remember to analyse and balance both sides in extended writing tasks and to include references to scriptures whenever she can. Khadijah has grown in confidence and this needs to continue particularly during class discussions.

STRENGTHS:

Khadijah has had an excellent year. She is enthusiastic about the subject and is keen to learn more. Her written work is extremely neat and of high quality. She always goes the extra mile in her work which is superb to see in a Year 8 student. Her online work has been wonderful, submitted on time and all tasks completed to a brilliant standard.

NEXT STEPS:

Khadijah is a great independent learner and now I would like her to develop her group work skills more. This means feeling confident enough to share ideas with others and to listen and learn from them in return.
